Subject: PLHIC 2 Response

Hi Jose:

I have a question regarding attachment 18 response on the Confidential Report. The attachment says PacifiCare will manually adjust interest on 5,792 claims with a completion date of 12/31/07. Has this project been completed? If so, can you provide me with the total amount of interest paid? If the project has not been completed, please provide me with an estimated completion date. I would like to note the date in the final report, if possible.

Thank you,

Coleen Vandepas
