Hereinafter, the Company listed above also will be referred to as the Company.

This report is made available for public inspection and is published on the California Department of Insurance website (www.insurance.ca.gov) pursuant to California Insurance Code section 12938(b)(1).

FOREWORD

This limited desk examination covered the claims handling, rating, and underwriting practices of the aforementioned Company's Surety business during the period January 1, 2014 through December 31, 2014. The limited examination was made to discover, in general, if these and other operating procedures of the Company conform to the contractual obligations in the policy forms, the California Insurance Code (CIC), the California Code of Regulations (CCR) and case law.

This report pertains to Section 790.03 and Title 10, California Code of Regulations, Section 2695.0 et seq. A separate report pertains to laws other than Section 790.03 and Title 10, California Code of Regulations, Section 2695.0 et seq.

The report does not present a comprehensive overview of the subject insurer's practices. The report contains a summary of pertinent information about the lines of business examined, details of the non-compliant or problematic activities that were discovered during the course of the examination and the insurer's proposals for correcting the deficiencies. When identified violations result in payments by the Company to policyholders or claimants, those amounts paid are identified as recoveries in this report. All unacceptable or non-compliant activities may not have been discovered. Failure to identify, comment upon or criticize non-compliant practices in this state or other jurisdictions does not constitute acceptance of such practices.

Alleged violations identified in this report, any criticisms of practices and the Company's responses, if any, have not undergone a formal administrative or judicial process.

SCOPE OF THE EXAMINATION

To accomplish the foregoing, the examination included:

1. A review of specified guidelines, procedures, and forms adopted by the Company for use in California.

2. A review of the California Department of Insurance's (CDI) market analysis results; a review of consumer complaints and inquiries about this Company closed by the CDI during the period January 1, 2014 through December 31, 2014; and a review of reports on the previous CDI market conduct examination of this Company; and a review of prior CDI enforcement actions.

This limited examination was conducted at the offices of the California Department of Insurance in Sacramento, California.

EXECUTIVE SUMMARY

This desk examination was limited in scope to market analysis information, including California consumer complaint information, to national enforcement activity and to information provided by the Company in response to the Department's data request. There was no review of underwriting or claims files during this examination.

There were no alleged violations or findings of non-compliance within the scope of this report.

Platte River Insurance Company reported \$6,652,712 in written premiums on Surety insurance coverage in California during 2014. The Company closed 162 Surety claims during 2014.
